Summary

- A student eager to establish himself in the profession of architecture. I have completed three years of Pratt Institutes BArch program, while learning about the basics of business start-up, professional practice, and construction documentation. My goal with this job position is to obtain hands-on experience as an Intern with the firm.

Work

- Resident Advisor | Pratt Institute | NY | 2022 - Present
 - Oversaw the wellbeing and safety of almost 100 student residents at Pratt during the academic years, as well as for Pratt's PreCollege program.
 - Assisted as an informal counselor/helper, programmer and activities planner, and floor administrator.
 - Mediated conflicts that rose between students and helped guide them through difficult times.

Education

- Pratt Institute | Brooklyn, NY | 2021 - Present
 - Bachelors in Architecture (in progress)
 - Entrepreneurship, Minor (in progress)
 - Construction Management, Minor (in Progress)
- North Rockland HS | Thiells, NY | 2017 - 2021
